- 7.11. Every fall is assessed by the three Sticklers. A **BACK** is scored when, on a majority decision, a Wrestler has been thrown onto his back so that three or four Pins hit the ground simultaneously. A **BACK** will win a contest and the bout is concluded with the Wrestler awarded the **BACK** declared the winner.
- 7.12. Points are scored for each Pin that touches the ground simultaneously, one point for one Pin down and two points for two Pins down. The Sticklers mark their score-cards as the bout progresses noting points scored for and faults against each wrestler.

- 7.17.** The winning Wrestler shall be the one with the highest number of final total points on at least two of the sticklers score cards.
- 7.18.** Each stickler shall record every foul that a wrestler commits. Each foul shall result in one point being deducted from the wrestlers score.
